

Mr. Corey Abramowitz – Resources Principal, Staffing, Axial Resources

Background:

Mr. Corey Abramowitz, Resources Principal, Staffing of Axial Resources, is a seasoned staffing executive with 20+ years of designing and shaping a firm's hiring process by managing efforts related to recruiting, and business strategy.

Mr. Abramowitz's experience includes tailoring staffing solutions, ranging from working with large Fortune 500 companies to smaller start-ups, to leading the talent acquisition efforts for large-scale projects and all levels of full-time strategic staffing and staff augmentation.

Mr. Abramowitz's background includes overseeing strategic direction, recruiting talent and managing client expectations. Mr. Abramowitz is responsible for the overall growth of C&A's staffing vertical, concentrating on recruitment and client services. His background consists of creating staffing solutions and recruiting techniques that companies cannot develop on their own.

In addition, Mr. Abramowitz has access to an extensive and exclusive network of go-to professionals and referrals. His past experiences: Core I.T. Solutions as the Founder, Insight Technology Solutions Corporation as Managing Director, and Electronic Data Systems, Technology Recruitment. He is also a frequent lecturer at industry events.
